OUR VISION

To be Saskatchewan's leader in delivering high quality education and training.

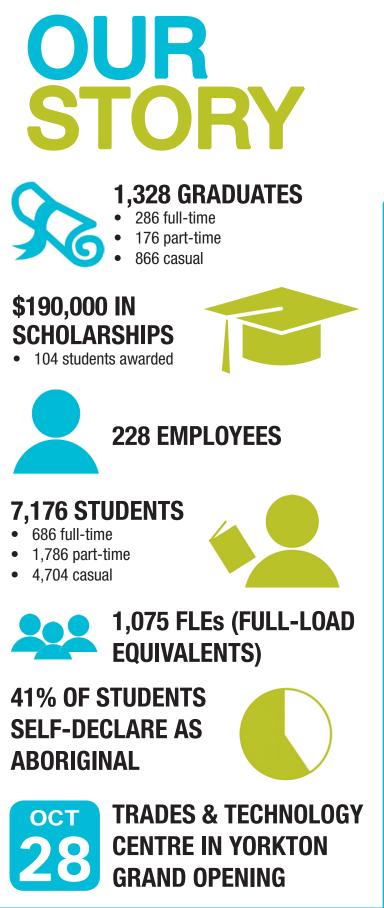

OUR MISSION

Parkland College provides high quality learner centred education and training as a foundation for lifelong success.

For more than 40 years, Parkland College has advocated for life-long learning in the Parkland region. To this day programs are developed in response to the community's needs. Education options range from high school upgrading to skills training and trades to university courses and four-year degrees.

BOARD REPORT

Parkland College's Board of Governors, under the leadership of Chair Lydia Cyr and Vice-Chair Raymond Sass, continued the practice of rotating Board meetings throughout the College's regular campuses in 2015-16. Canora, Esterhazy, Fort Qu'Appelle, Melville, and Yorkton each hosted at least one Board meeting during the year.

The Board of Governors experienced some transition in membership following the resignation of Darrell Sobkow at the end of the 2014-15 year. Three additional governors were appointed by the Minister of Advanced Education in February 2016. We were pleased to welcome Brian Hicke of Melville, Leonard Keshane of Yorkton, and Don Bahrey of Canora to the Board of Governors during the last part of the operational year. Unfortunately, Mr. Bahrey resigned his position in June as he relocated out of our geographic region.

In addition to nine regular Board meetings, nine Committee of the Whole meetings were held in advance of the regular meetings. The Board also held its regular Constitutional meeting in June 2016. During the year, the Board adopted an annual agenda to provide a framework for the Board's operations during the year. The annual agenda was reviewed at each regular meeting to incorporate any required revisions.

With the support of the Ministry of Advanced Education, the Board of Governors continued to advance its governance work. In addition to the formal certification opportunities provided to individual members, the Board as a whole took part in a governance review with Ministry officials in October 2015, designed to identify governance practices that required attention. The Board reported to the Ministry in June 2016 outlining the progress made throughout the year.

The Board of Governors was actively involved in the development of Parkland College's new strategic plan during 2015-16. The process was initiated with the establishment of a work plan at the September 2015 meeting which included the gathering of feedback from a variety of sources. The Board of Governors, along with administration, reviewed the feedback to identify the priorities contained in the new strategic plan.

The Board of Governors continued to play a key advocacy role for Parkland College through its attendance at major College events throughout the year. In addition, each governor augmented advocacy work through individual contacts with community organizations and local government authorities throughout the region and province.

Sally Bishop, Kamsack David Cisyk, Esterhazy D. Lydia Cyr, Fort Qu'Appelle (Chair) Brian Hicke, Melville Leonard Keshane, Yorkton Raymond Sass, Yorkton

PRESIDENT'S MESSAGE

Parkland College experienced a great deal of success during the 2015-16 program year. We saw an increase in overall enrolments, expanding by 110 Full-Time Learner Equivalents (FLEs) from the previous year. The official opening of the Trades and Technology Centre coincided with the start of the academic year which helped us provide additional programming opportunities. We also introduced a Post-Graduate Certificate in Human Resources Management brokered through Conestoga College while experiencing increased enrolment in many other ongoing program areas.

We planned for and realized growth in our online Adult Basic Education programming. With 443 students, we surpassed our 2014-15 total of 369 students and were able to exceed our target of 415 students served. All indicators point to continued growth in this area. Growth was also experienced in our Corporate Training area. With over \$2.5 million in contract revenue, we exceeded both our budget projections and the mark set in the previous fiscal year. This is particularly noteworthy as we were able to exceed our expectations in spite of some adverse economic conditions being experienced in our province.

2015-16 saw Parkland College look to the future as we engaged in the process to develop a new strategic plan. Consultations, online feedback, and refinement sessions led to the development of a new strategic plan that will guide Parkland College for the next five years. We are grateful to all staff, students, and external stakeholders who helped guide the process.

The cumulative impact of growth is reflected in our financial position at the conclusion of the 2015-16 fiscal year. We were able to realize revenue growth, allowing us to post an operating surplus and plan for future development through the establishment of internally restricted funds. We were also able to build up our unrestricted surplus to a level exceeding the acceptable threshold set at 3 per cent of revenue.

We were very pleased to achieve special recognition during 2015-16 with Parkland College being named one of Saskatchewan's Top Employers. Our growth and development is only possible due to the hard work and determined efforts of our staff. It is very gratifying to receive this recognition on behalf of our employees.

Parkland College is fortunate to be a part of a wider community that values education and training. Our many partnerships are vital to our success. Thanks to the cooperation of many individuals, organizations, and businesses, Parkland College is able to grow and look optimistically towards the future.

Dwayne Reeve, President

STRATEGIC PRIORITIES

ACHIEVE (LEARNER OUTCOME)

We provide a superior learning and campus experience for all learners through quality programming and services. Learners can achieve their career aspirations, engage in the workforce, and contribute to vibrant prosperous communities.

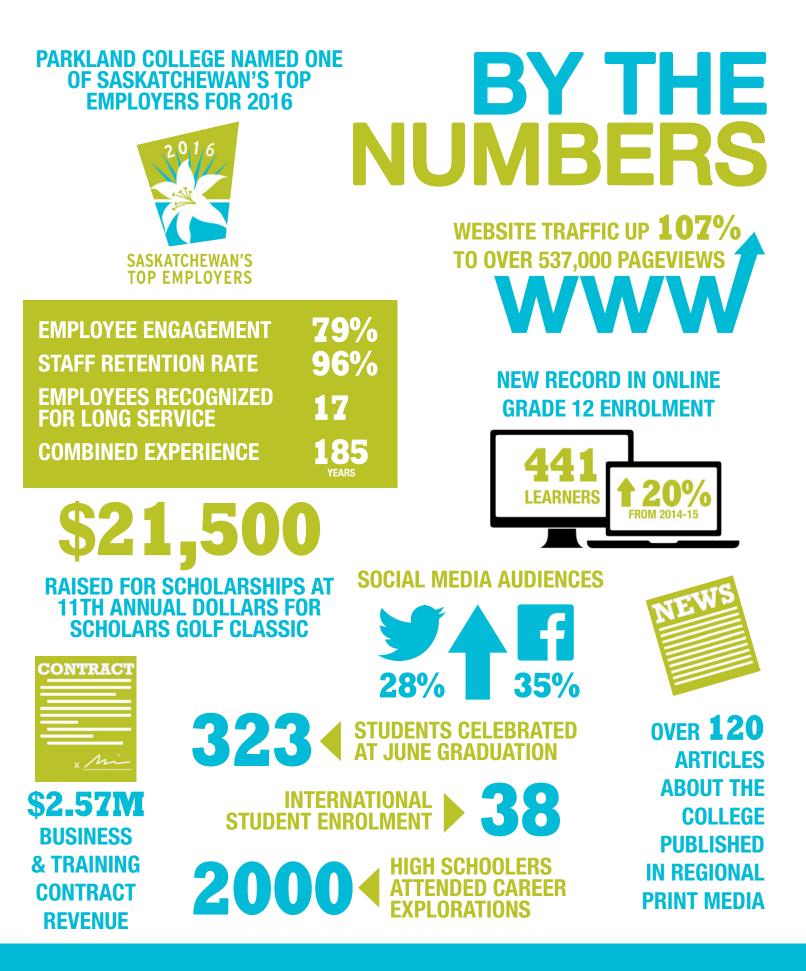

We excel as a premier post-secondary educational institution demonstrating positive social and economic impact through effective work and business processes, continuous innovation and evidence based decision-making.

We recruit, retain and develop committed staff, leaders and teams. We are proud ambassadors of the College who have the knowledge and skills to help our learners to reach their career aspirations.

We maximize and grow our resources as a sustainable, accountable partner within the local and broader communities we serve.

PLANNING FOR THE FUTURE

Parkland College spent 2015-16 looking to the future. In September 2015, the Board of Governors approved a work plan to guide the process of developing our new strategic plan. The plan involved the engagement of an external facilitator to assist with the gathering of feedback and the synthesizing of information to identify our strategic priorities.

Laura Soparlo Consulting led the process beginning with the collection of feedback through an online questionnaire. Feedback was received from students, staff and our many external partners. In addition to the online input, feedback was gathered through a series of focus groups designed to augment the themes that emerged from the online input.

The new strategic plan began to take shape following a session in March 2016. Members of the Board of Governors and the Executive team met to review the information gathered during the consultation process. The review of the feedback revealed key priorities in the following areas:

- Student experience and campus life
- Student success and satisfaction
- · Staff engagement and development
- Staff collaboration and communication
- · Refinement of internal processes
- · Showcasing the positive social and economic impact achieved by the College
- College Indigenization
- Achieving fiscal sustainability

The key priorities were further refined by the Executive Team and staff focus groups until the final document and plan was completed in June 2016. The plan was formally approved by the Board of Governors and introduced to all staff at the annual Board/Staff Workshop in September 2016. Thanks to the work and input of many, the future course for Parkland College is firmly set.

Your College. Your Future.

KEY PERFORMANCE MEASURES

KEY PERFORMANCE INDICATOR #5

| | Baseline (\$'s) | 2015-16 Target (\$'s) | 2015-16 Results (\$'s) |
|---|--------------------|-----------------------------|------------------------------|
| Total Contractual Revenue (In Contract \$ Received) | \$1,688,056 | \$1,890,994 | \$2,572,652 |

NOTES:

- The new baseline is a rolling average of the three most recent completed years of data.
- KPI #2B & 4B: Graduation rates are based on full-time students only. This was implemented to more accurately reflect graduation rates, as majority of part-time enrolments are 'completed' and not graduated.

2015-16 Results as of October 31, 2016

Completed = the total number of students who completed course requirements or remained to the end of the program.

Graduated = the number of students who successfully completed all course requirements resulting in achievement of certification by a recognized credit granting institution or recognized by industry.

Notes for Tables 3 & 4

- We do not 'Graduate' University and part-time institute credit programs, all are under completed columns for both academic years. 0
- We do not do follow-up for University, apprenticeship, part-time institute credit, skills training non-credit, and short study industry credit programs. 0 0 0
- When program sessions are scheduled over two program years, the student success is reported in the year the program session ends. If more than one type of follow-up is reported for an individual in a program group, enrolment is counted once and they are counted once under each type of follow-up.

HUMAN RESOURCES

STAFFING

Human Resources assists applicants and employees with all phases of the employment process from recruitment, interviewing, selection, and evaluation of employees. Human Resources helps foster strong relationships with employees by providing a high level of expertise and support. Parkland College employed 96 full time equivalent (FTE) positions and 225 employees in 2015-2016.

PERFORMANCE MANAGEMENT

The improved and modernized performance management process has directly improved completion rates of Annual Reviews. Human Resources led a 360 Degree performance feedback activity for employees in supervisory positions.

PROFESSIONAL DEVELOPMENT

Parkland College is committed to lifelong learning. We continued to budget 1.5% of salaries for training and education opportunities for employees. Six employees participated in an International project in Jamaica, three employees participated in an International project in Belize, and one employee participated in an International project in Tanzania.

EMPLOYEE ENGAGEMENT AND EMPOWERMENT

Parkland College conducted an Employee Engagement survey in October 2015. The results identified that 79% of employees are positively engaged at work.

STAFF RECOGNITION

Seventeen employees received service awards at the Annual Staff Recognition event. The event recognizes employees for their dedication, commitmen, and service to adult education and our organization.

RETENTION

Parkland College retained 96% of our employees in 2015-2016. This reflects a positive work environment and culture, and underscores our efforts to create a workplace where employees Join, Stay, Perform, and Adapt.

Melville Administration Box 790, 200 Block, 9th Avenue East Melville, SK, S0A 2P0 Ph: (306) 728-4471 Fax: (306) 728-2576

Statement of Management Responsibility

The consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards and the format specified in the Regional Colleges Accounting and Reporting Manual issued by the Ministry of Advanced Education, and are in compliance with the provisions of legislation and related authorities. When alternative accounting methods exist, management has chosen those it deems most appropriate in the circumstances. Financial statements are not precise because they include certain amounts based on estimates and judgements.

In fulfilling its responsibilities and recognizing the limits inherent in all systems, the management has developed and maintains a system of internal control designed to provide reasonable assurance that College assets are safeguarded from loss and that the accounting records are a reliable basis for the preparation of financial statements.

The Board of Directors of the College is responsible for the review and approval of the consolidated financial statements, and ensures management fulfils its financial reporting responsibilities. The Board meets with management and, as required, with the external auditors to discuss the results of audit examinations and financial reporting matters. The external auditors have full access to the Board with and without the presence of management.

The consolidated financial statements have been audited by Miller Moar Grodecki Kreklewich & Chorney, Chartered Professional Accountants. The external auditors conduct an independent examination in accordance with Canadian auditing standards and express their opinion on the consolidated financial statements. The accompanying Auditors' Report outlines their responsibilities, the scope of their examination and provides their opinion on the fairness of the presentation of the information in the consolidated financial statements.

II. AUDITORS' REPORT

Miller Moar Grodecki Kreklewich & Chorney

Chartered Professional Accountants

INDEPENDENT AUDITORS' REPORT

To Members of the Board Parkland College MELVILLE, Saskatchewan

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the Parkland College which comprise the statement of financial position as at June 30, 2016 and the consolidated statements of operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Parkland College as at June 30, 2016 and the results of its consolidated operations and accumulated surplus, changes in net financial assets and cash flows for the year then ended in accordance with Canadian public sector accounting standards.

VII. NOTES TO THE FINANCIAL STATEMENTS

PARKLAND COLLEGE Notes to the Consolidated Financial Statements for the year ended June 30, 2016

1. PURPOSE AND AUTHORITY

Parkland College (College) offers educational services and programs under the authority of Section 14 of *The Regional Colleges Act*.

The Board of the Parkland College is responsible for administering and managing the educational affairs of the College in accordance with the intent of *The Regional Colleges Act* and its regulations.

The College's objectives are to promote the social, economic and cultural development of the Parkland region of Saskatchewan by facilitating learning options and participating in community groups.

The College is exempt from the payment of income tax.

2. SIGNIFICANT ACCOUNTING POLICIES

The College prepared these financial statements in accordance with Canadian public sector accounting standards (PSA).

Significant aspects of the accounting policies adopted by the College are as follows:

(a) College Reporting Entity

The consolidated financial statements include all of the assets, liabilities, revenues and expenses of the College reporting entity. The College reporting entity is comprised of the Parkland College and 580673 Saskatchewan Ltd., operating as Western Trade Training Institute (WTTI). All intercompany transactions have been eliminated.

(b) Measurement Uncertainty and the Use of Estimates

The preparation of financial statements in conformity with PSA standards requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Uncertainty in the determination of the amount at which an item is recognized or disclosed in financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized or disclosed amount and another reasonably possible amount.

Measurement uncertainty that may be material to these financial statements exists for:

• the liability for employee future benefits of \$262,100 (June 30, 2015 - \$260,600) because actual experience may differ significantly from actuarial or historical estimations and assumptions;

These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the periods in which they become known. While best estimates are used for reporting items subject to measurement uncertainty, it is reasonably possible that changes in future conditions, occurring within one fiscal year, could require material changes in the amounts recognized or disclosed.

(c) Financial Instruments

Financial instruments create rights and obligations to receive or deliver economic benefits. Financial instruments include cash and cash equivalents, accounts receivable, portfolio investments, bank indebtedness, accrued salaries and benefits, accounts payable and accrued liabilities.

Financial instruments are assigned to one of two measurement categories: fair value, or cost or amortized cost.

i) Fair Value

Fair value measurement applies to portfolio investments in equity and debt instruments that are quoted in an active market.

ii) Cost or Amortized Cost

All other financial assets and financial liabilities are measured at cost or amortized cost. Transaction costs are a component of cost for financial instruments measured using cost or amortized cost. Loans and receivables are measured at amortized cost. Due to their shortterm nature, the amortized cost of these instruments approximates their fair value.

(d) Financial Assets

Financial assets are assets that could be used to discharge existing liabilities or finance future operations and are not for consumption in the normal course of operations. Valuation allowances are used where considered necessary to reduce the amounts reported for financial assets to their net realizable value.

Cash and Cash Equivalents consist of cash, bank deposits and highly liquid investments with initial maturity terms of three months or less and held for the purpose of meeting short-term operating cash commitments rather than for investing purposes.

Accounts Receivable are shown net of allowance for doubtful accounts to reflect their expected net recoverable value. Valuation allowances are recorded where recovery is considered uncertain. Changes in valuation allowances are recorded in the statement of operations and accumulated surplus.

Portfolio Investments consist of debt investments quoted in an active market. These investments are reported at fair value, and any associated transaction costs are expensed upon initial recognition. Measurement gains or losses on fair value are recorded as income or expense on the consolidated statement of operations and accumulated surplus in the period the gain or loss occurs.

(e) Liabilities

Liabilities present obligations arising from transactions and events occurring prior to year end, which will be satisfied in the future through the use of assets or another form of economic settlement.

Bank Indebtedness is comprised of bank overdraft and short-term loans with initial maturities of one year or less, incurred for the purpose of financing current expenses.

Accrued Salaries and Benefits represents salaries and benefits owing to or on behalf of work performed by employees, but not yet paid, at the end of the fiscal period. Amounts are payable within one year.

Accounts Payable and Accrued Liabilities include accounts payable and accrued liabilities owing to third parties for goods supplied and services rendered, but not yet paid, at the end of the fiscal period. Amounts are payable within one year.

Deferred Revenue from government transfers represents restricted grants with stipulations that give rise to a liability for which the stipulations have not yet been fulfilled. The revenue is recognized as the stipulation liabilities are settled. Deferred revenue from non-government sources represents revenue related to fees or services received in advance of the fee being earned or the services being performed, and other contributions for which the contributor has placed restrictions on the use of the resources. Tuition and fee revenue is recognized as the services are delivered, revenue from contractual services is recognized as the services are delivered, and revenue from other contributions is recognized in the fiscal year in which the resources are used for the purpose specified.

Liability for Employee Future Benefits represents non-vesting sick leave benefits that accrue to the College's employees. The cost of these benefits is

recorded as the benefits are earned by employees. The liability relating to these benefits is actuarially determined using the projected benefit method pro-rated on service and management's best estimate of expected sick leave usage, discount rate, inflation, salary escalation, termination and retirement rates and mortality. Actuarial gains and losses are amortized on a straight line basis over the expected average remaining service life of the related employee groups. Actuarial valuations are performed periodically. Extrapolations of these valuations are made when a valuation is not done in the current fiscal year.

Short-Term Debt is comprised of capital loans with a maturity of less than one year.

Long-Term Debt is comprised of capital loans and other long-term debt with initial maturities of more than one year. Long-term debt also includes capital lease obligations where substantially all of the benefits and risks incident to ownership are transferred to the College without necessarily transferring legal ownership. The amount of the lease liability recorded at the beginning of the lease term is the present value of the minimum lease payments, excluding the portion thereof relating to executory costs.

(f) Non-Financial Assets

Non-financial assets are assets held for consumption in the provision of services. These assets do not normally provide resources to discharge the liabilities of the College unless they are sold.

Tangible Capital Assets have useful lives extending beyond the accounting period, are used by the College to provide services to the public and are not intended for sale in the ordinary course of operations. Tangible capital assets are recorded at cost and include all costs directly attributable to the acquisition, design, construction, development, installation and betterment of the tangible capital asset.

The cost of depreciable tangible capital assets, net of any residual value, is amortized on a straight line basis over their estimated useful lives as follows:

| Leasehold Improvements | 10 years |
|------------------------------|--------------|
| Land Improvements | 40 years |
| Buildings | 20 years |
| Machinery and Equipment | 5 - 10 years |
| Office Furnishings/equipment | 10 years |
| Computer hardware | 3 years |
| Vehicles | 5 years |
| Leased capital assets | 3 years |

Write-downs are accounted for as expenses in the statement of operations.

Prepaid Expenses are prepaid amounts for goods or services which will provide economic benefits in one or more future periods. The prepaid amount is recognized as an expense in the year the goods or services are consumed.

(g) Employee Pension Plans

Employees of the College participate in the following pension plans:

Multi-Employer Defined Benefit Plans

The College's employees participate in one of the following multi-employer defined benefit plans:

- Teachers who hold a valid certificate of qualifications or other authorization from the Ministry of Education participate in either the retirement plan of the Saskatchewan Teachers' Retirement Plan (STRP) or Saskatchewan Teachers' Superannuation Plan (STSP). The College's obligation for these plans is limited to collecting and remitting contributions of the employees at rates determined by the plans.
- ii) Other employees participate in the Municipal Employees' Pension Plan (MEPP). In accordance with PSA standards, the plan is accounted for as a defined contribution plan whereby the College's contributions are expensed when due.

(h) Revenue Recognition

Revenues are recorded on the accrual basis. Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues, provided the amount to be received can be reasonably estimated and collection is reasonably assured.

The College's major sources of revenue include the following:

i) Government Transfers (Grants)

Grants from governments are considered to be government transfers. Government transfers are recognized as revenues when the transfer is authorized, all eligibility criteria have been met, the amount can be estimated and collection is reasonably assured except when, and to the extent, stipulations by the transferor give rise to an obligation that meets the definition of a liability.

ii) Fees and Services

Revenues from tuition fees and other services are recognized in the year they are earned. Amounts that are restricted pursuant to legislation,

regulation or agreements with external parties that may only be used in the conduct of certain programs or in the delivery of specific services and transactions are initially recorded as deferred revenue and subsequently recognized as revenue in the fiscal year the related expenses are incurred or services are performed.

iii) Interest Income

Interest is recognized on an accrual basis when it is earned.

iv) Other (Non-Government Transfer) Contributions

Unrestricted contributions are recognized as revenue in the year received or in the year the funds are committed to the College if the amount can be reasonably estimated and collection is reasonably assured. Externally restricted contributions are contributions for which the contributor has placed restrictions on the use of the resources. Externally restricted contributions that are to be held in perpetuity are recognized as revenue in the year in which they are received or committed if the amount can be reasonably estimated and collection is reasonably assured. Externally restricted contributions that are not held in perpetuity are deferred until the resources are used for the purpose specified, at which time the contributions are recognized as revenue. In-kind contributions are recorded at their fair value when they are received.

(i) Expenses

Expenses are reported on an accrual basis. The cost of all goods consumed and services received during the year is expensed.

(j) Liability for Contaminated Sites

Liabilities associated with the remediation of contaminated sites as a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds the maximum acceptable concentrations under an environmental standard are recognized in the financial statements when the recognition criteria outlined in PS 3260 *Liability for Contaminated Sites* are met.

3. CASH AND CASH EQUIVALENTS

Due to the short-term nature of the investments, market value of cash and cash equivalents approximates cost.

| | June 30 2016 | June 30 2015 |
|---------------------------|---------------------|-----------------|
| Cash and bank deposits | \$ 5,024,695 | \$ 4,606,718 |
| Cash and cash equivalents | \$ 5,024,695 | \$ 4,606,718 |

4. ACCOUNTS RECEIVABLE

All accounts receivable presented on the statement of financial position are net of any valuation allowances for doubtful accounts.

| | June 30 . 2016 | | | June 30 2015 |
|--|-------------------|-----------|----|-----------------|
| Provincial government: | | | | |
| Advanced Education/Economy | \$ | - | \$ | 37,888 |

| Total portfolio investments | | | \$ | 5 | - | | \$ | 590,606 |

6. BANK INDEBTEDNESS

Bank indebtedness consists of an operating credit facility with a maximum borrowing limit of \$5,300,000 that bears interest at Bank prime rate less 0.80% per annum. This line of credit is authorized by a borrowing resolution by the Board and was approved by the Minister of Advanced Education on November 4, 2014. The balance drawn on the line of credit at June 30, 2016 was Nil (June 30, 2015 - \$650,000). The balance in short-term debt on this facility was \$4,100,000 (June 30, 2015 - Nil). See Note 12 for disclosure of the short-term debt.

7. ACCRUED SALARIES AND BENEFITS

| | June 30 2016 | June 30 2015 | | | |
|--------------------------------------|--------------------------|-----------------|--------------------|--|--|
| Accrued Salaries Accrued Vacation | \$ 118,320 288,743 | \$ | 133,472 239,149 | | |
| Accrued salaries and benefits | \$ 407,063 | \$ | 372,621 | | |

| Student tuitions | \$ | 402,493 | \$ | 578,759 | \$ | 400,993 | \$ 580,259 |
| Other | | 60,571 | | 7,635 | | 60,571 | 7,635 |
| Deferred revenue | \$ | 463,064 | \$ | 586,394 | \$ | 461,564 | \$ 587,894 |

10. LIABILITY FOR EMPLOYEE FUTURE BENEFITS

The College provides certain post-employment, compensated absence and termination benefits to its employees. These benefits include accumulating nonvested sick leave. Significant assumptions include the discount rates based on the Saskatchewan provincial bond yields with similar maturities at the respective disclosure dates. The liability associated with these benefits is calculated as the present value of expected future payments pro-rated for service and is recorded as Liability for Employee Future Benefits in the statement of financial position.

Details of the employee future benefits are as follows:

| | June 30 | June 30 |
|---|-----------|-----------|
| | 2016 | 2015 |
| Actuarial valuation date | 30-Jun-15 | 30-Jun-15 |

| Interest | | - | | - | | - | |
| Total | \$ | 137,666 | \$ | 137,666 | \$ | 47,836 | |

12. SHORT-TERM DEBT

In February of 2016, the College amended its credit facility of \$5,300,000 to include a term loan of up to \$4,500,000, at a fixed rate of 2.05%, repayable on April 30, 2017. As at June 30, 2016, \$4,100,000 had been advanced against this facility. This amount will be tendered in early 2017, and converted to long-term debt at an equal or lesser amount upon expiry of the short-term loan. Approval to convert borrowings, to a maximum of \$5,300,000, to long-term debt was received from the Ministry of Advanced Education on February 3, 2015.

13. TANGIBLE CAPITAL ASSETS

| Equipment | 14,950 | 29,416 |
| Prepaid expenses | \$ 458,772 | \$ 289,513 |

15. EMPLOYEE PENSION PLANS

Multi-Employer Defined Benefit Plans

Information on the multi-employer pension plans to which the College contributes is as follows:

i) Saskatchewan Teachers' Retirement Plan (STRP) or Saskatchewan Teachers' Superannuation Plan (STSP):

The STRP and STSP provide retirement benefits based on length of service and pensionable earnings.

The STRP and STSP are funded by contributions by the participating employee members and the Government of Saskatchewan. The College's obligation to the STRP and STSP is limited to collecting and remitting contributions of the employees at rates determined by the plans. Accordingly, these financial statements do not include any expense for employer

contributions to these plans. Net pension assets or liabilities for these plans are not reflected in these financial statements as ultimate responsibility for retirement benefits rests with the Saskatchewan Teachers' Federation for the STRP and with the Government of Saskatchewan for the STSP.

Details of the contributions to these plans for the College's employees are as follows:

| | | 2015 | | |
|---|-----------|----------|-----------|----------------|
| | STRP | STSP | TOTAL | TOTAL |
| Number of active College members | 11 | 2 | 13 | 14 |
| Member contribution rate (percentage of salary) | | | | |
| Integrated rate | 10.20% | 6.05% | | 9.1% / 6.05% |
| Non-integrated rate | 12.40% | 7.85% | | 11.30% / 7.85% |
| Member contributions for the year | \$ 94,847 | \$ 9,209 | \$104,056 | \$ 110,113 |

ii) Municipal Employees' Pension Plan (MEPP)

The MEPP provides retirement benefits based on length of service and pensionable earnings.

The MEPP is funded by employer and employee contributions at rates set by the Municipal Employees' Pension Commission.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and the adequacy of plan funding. Any actuarially determined deficiency is the responsibility of the participating employers and employees which could affect future contribution rates and/or benefits.

The contributions to the MEPP by the participating employers are not segregated in separate accounts or restricted to provide benefits to the employees of a particular employer. As a result, individual employers are not able to identify their share of the underlying assets and liabilities, and the net pension assets or liabilities for this plan are not recognized in these financial statements. In accordance with PSA standards, the plan is accounted for as a defined contribution plan whereby the College's contributions are expensed when due.

Details of the MEPP are as follows:

| | 2016 | 2015 |
|--|-----------|-----------|
| Number of active College members | 114 | 103 |
| Member contribution rate (percentage of salary) | 8.15% | 8.15% |
| College Contribution rate (percentage of salary) | 8.15% | 8.15% |
| Member contributions for the year | \$391,724 | \$349,481 |
| College contributions for the year | \$391,724 | \$349,481 |

16. RISK MANAGEMENT

The College is exposed to financial risks from its financial assets and liabilities. These risks include credit risk, liquidity risk and market risk consisting of interest rate risk.

i) Credit Risk

Credit risk is the risk to the College from potential non-payment of accounts receivable. The credit risk related to the College's receivables from the provincial government, federal government and their agencies are considered to be minimal. For other receivables, the College has adopted credit policies which include the analysis of the financial position of its customers and the regular review of their credit limits in order to reduce its credit risk and close monitoring of overdue accounts. The College does not have significant exposure to any individual customer. Management reviews accounts receivable on a case by case basis to determine if a valuation allowance is necessary to reflect an impairment in collectability.

The aging of accounts receivable at June 30, 2016 and June 30, 2015 was:

| | June 30, 2016 | | | | June 30, 2015 | | | |
|--------------|----------------------------|----|--------------------------------------|----|---------------------|--------------------------------------|---------|--|
| | Accounts Receivable | | Allowance of Doubtful Accounts | | ccounts ceivable | Allowance of Doubtful Accounts | | |
| 0-30 days | \$ 721,141 | \$ | - | \$ | 737,085 | \$ | - | |
| 30-60 days | 15,741 | | - | | 50,348 | | - | |
| 60-90 days | 147,006 | | - | | 110,143 | | - | |
| Over 90 days | 171,857 | | 16,772 | | 61,067 | | 6,042 | |
| Total | \$ 1,055,745 | \$ | 16,772 | \$ | 958,643 | \$ | 6,042 | |
| Net | | \$ | 1,038,973 | | | \$ | 952,602 | |

ii) Liquidity Risk

Liquidity risk is the risk that the College will not be able to meet its financial obligations as they come due. The College manages liquidity risk by maintaining adequate cash balances, budget practices and monitoring and forecasts. The following table sets out the contractual maturities of the College's financial liabilities:

| | June 30, 2016 | | | | | |
|--|---------------|---------|-------------|--------------|--|--|
| | | Within | 6 months | | | |
| | 6 | months | to 1 year | 1 to 5 years | | |
| Accrued salaries and benefits | \$ | 118,320 | \$ 288,743 | \$- | | |
| Accounts payable and accrued liabilities | | 412,062 | - | - | | |
| Long and short-term debt | | 7,193 | 4,179,123 | 51,350 | | |
| | | | | | | |
| Total | \$ | 537,575 | \$4,467,866 | \$ 51,350 | | |

iii) Market Risk

The College is exposed to market risks with respect to interest rates as follows:

Interest Rate Risk:

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The College's interest rate exposure relates to cash and cash equivalents, portfolio investments, and bank indebtedness. The College also has an authorized lease facility of \$200,000 with interest payable annually at a rate of prime less 0.60%, and an authorized bank line of credit of \$5,300,000 with interest payable annually at a rate of prime rate can cause fluctuation in interest payments and cash flows. There was no balance outstanding on the lease facility as of June 30, 2016 (June 30, 2015 – NIL). There was \$4,100,000 outstanding on the credit facility (see Note 12 - Short-Term Debt) as of June 30, 2016 (June 30, 2015 - \$650,000).

The College minimizes these risks by:

- holding cash in an account at a Canadian bank, denominated in Canadian currency
- investing in mutual funds where interest rates minimally fluctuate
- managing cash flows to minimize utilization of its bank line of credit

17. BUDGET FIGURES

Budget figures included in the financial statements were approved by the Board on May 29, 2015 and the Minister of Advanced Education on June 29, 2015.

18. RELATED PARTIES

These financial statements include transactions with related parties. The College is related to all Government of Saskatchewan ministries, agencies, boards, school divisions, health authorities, colleges and crown corporations under the common control of the Government of Saskatchewan. The College is also related to non-Crown enterprises that the Government jointly controls or significantly influences. In addition, the College is related to other non-Government organizations by virtue of its economic interest in these organizations.

Related Party Transactions:

Transactions with these related parties are in the normal course of operations. Amounts due to or from and the recorded amounts of transactions resulting from these transactions are included in the financial statements and the table below.

| | 2016 | 2015 |
|--|------------------|------------------|
| Revenues: | | |
| Ministry of Advanced Education/Economy | | |
| Operating | \$ 9,600,539 | \$ 7,835,513 |
| Capital | 1,655,500 | 7,595,300 |
| Saskatchewan Apprenticeship and Trade Commission | 276,349 | - |
| | \$ 11,532,388 | \$ 15,430,813 |
| Expenses: | | |
| Saskatchewan Polytechnic | \$ 622,851 | \$ 524,908 |
| University of Saskatchewan | 128,624 | 127,856 |
| University of Regina | 97,363 | 178,387 |
| SaskTel | 406,371 | 103,775 |
| SaskPower and Sask Energy | 73,717 | 27,769 |
| Ministry of Central Services | 111,476 | 123,454 |
| | \$ 1,440,402 | \$ 1,086,149 |

In addition, the College pays Provincial Sales Tax to the Saskatchewan Ministry of Finance on all its taxable purchases and customer sales on items that are deemed taxable. Taxes paid are recorded as part of the cost of those purchases.

The College receives long distance telephone services between major centers from SaskTel, a related party, at reduced rates available to Government agencies.

19. ACCUMULATED SURPLUS

Accumulated surplus represents the financial assets and non-financial assets of the College less liabilities. This represents the accumulated balance of net surplus arising from the operations of the College and accumulated net remeasurement gains and losses.

Certain amounts of the accumulated operating surplus, as approved by the Board, have been designated for specific future purposes including capital projects, student health & dental, and student account. These internally restricted amounts are included in the accumulated surplus presented in the statement of financial position.

The College does not maintain separate bank accounts for the internally restricted amounts.

Details of accumulated surplus are as follows:

| | June 30 2015 | Additions during the year | Reductions during the year | June 30 2016 |
|--|---------------------------|---------------------------------|----------------------------------|------------------------|
| nvested in Tangible Capital Assets: | | | | |

| Total Accumulated Surplus from Operations | 20,908,846 | 34,751,267 | 32,440,033 | 23,220,08 |

The purpose and nature of each Internally Restricted Fund is as follows:

- Scholarships include funds designated for the purpose of awarding scholarships to students of the College.
- Capital projects include future funds for the development of the Trades & Technology Centre, long term debt repayment and site development.

- Future Facility Development includes future funds for the development of instructional facilities
- IMII/CTRC Intro to Mining funding includes funds for delivery of the program by Carlton Trail Regional College
- Student Health & Dental include funds designated for future use of premium increases.
- Student account include funds designated for future use of student events.

20. CONTRACTUAL OBLIGATIONS AND COMMITMENTS

Significant contractual obligations and commitments of the College are as follows:

- Operating and capital lease obligations, as follows:
- Instructional Facilities
 - Treaty Four Governance Centre, Fort Qu'Appelle, Saskatchewan, under a year-to-year agreement. The agreement covers use of the facility and grounds with annual rental of \$67,727. The agreement contains an option to renew at the end of the initial lease term.
- Offices
 - Administration office and classrooms, Melville, Saskatchewan, located in the Melville Comprehensive School, under a ten-year lease which expires August 31, 2017. Terms of the lease require Parkland College to pay for its proportional share of the operating costs of the building.
 - Branch office and classrooms, Canora, Saskatchewan, located in the Canora Town Office, under a month-to-month agreement. Terms of the lease provide for annual payment of \$12,000 plus applicable taxes.
 - Branch office and two classrooms, Kamsack, Saskatchewan, located in the Crowstand Centre, under a lease agreement that expires December 31, 2016. Terms of the lease provide for monthly rental of \$1,238 plus applicable taxes.
- Equipment
 - RCAP Leasing Inc. covering one photocopier located at Yorkton location until October 2021. Terms of the lease call for monthly rental payments of \$232 plus applicable taxes.

- RCAP Leasing Inc. covering one photocopier located in Melville location until April 2019. Terms of the lease call for monthly rental payments of \$171 plus applicable taxes.
- RCAP Leasing covering VOIP equipment as follows:
 - Trades and Technology Centre (Yorkton) until October 2017, monthly payments of \$2,913 plus applicable taxes.
 - Esterhazy campus until May of 2018, monthly payments of \$574 plus applicable taxes.
 - Fort Qu'Appelle campus until May of 2018, monthly payments of \$671 plus applicable taxes
 - Canora campus until April of 2018, monthly payments of \$342 plus applicable taxes
 - Kamsack campus until March of 2018, monthly payments of \$430 plus applicable taxes
 - Melville administration and campus until May of 2018, monthly payments of \$925 plus applicable taxes

 Yorkton main campus until December of 2017, monthly payments of \$890 plus applicable taxes

- Good Spirit School Division
 - The College has negotiated a 10-year operating agreement with the Good Spirit School Division. The agreement specifies the cost-sharing of utility, insurance and maintenance costs, based on square footage occupied by the College. The agreement, effective September 1, 2013, is reviewed annually, and adjusted for increases/decreases in costs, square footage, and services provided. After five (5) years the school division reserves the right to withdraw the division-owned space from the agreement, with one year's notice, if operational needs require.
- Open Door Technology Inc.
 - Annual maintenance on Navision Software at approximately \$2,311 including taxes.

GLOSSARY OF TERMS

Casual Student: A participant taking courses, within a program group, that collectively totals less than 30 hours. (Applies to Skills Training only.)

Completer: Any participant who has successfully completed course requirements or remained to the end of the program.

FLE: Full Load Equivalent. The total participant hours divided by the accepted full load equivalent factor for a program group.

FTE: Full Time Equivalent

Full-Time Student: Total number of students who are taking courses (within the program group) that collectively require a minimum average of 18 hours of scheduled class time per week for a program session with a minimum duration period of 12 weeks (both conditions need to be true). There are two exceptions:

(a) **Apprenticeship and Trade:** 240 hours (a complete level depending on the trade) is required; and

(b) **University courses:** 234 hours (6 courses at 39 hours) of scheduled class time for the academic year.

GED: General Educational Development

Graduates: Any participant who successfully completed all course requirements resulting in achievement of certification by a recognized credit granting institution.

Participant Hours: The total time (in hours) that a student is actively involved in a program (courses) session.

Part-Time Student: The number of students who are taking courses (within a program group) that collectively require less than an average of 18 hours of scheduled class time per week for a minimum duration period of less than 12 weeks but equal to or more than 30 hours in total. There are two exceptions:

(a) **Apprenticeship and Trade:** Totalling less than 240 hours of scheduled class time for academic year; and

(b) **University courses:** Totalling less than 234 hours.

Program Group: A combination of SIS 'Program Area', Program Type or Program Category identified for the specific purpose of reporting student enrolments. Program Groups for reporting to the Ministry are:

Skills Training - Institute Credit (Sask Polytech) Skills Training - Institute Credit (Other Suppliers) Skills Training - Apprenticeship & Trade Skills Training - Industry Credit Skills Training - Non-Credit (includes Industry Non-Credit. Community/Individual Non-Credit. and Personal Interest Non-Credit) Adult Basic Education - Credit Adult 12 Adult Basic Education - Credit Adult 10 Adult Basic Education - Credit Academic GED Adult Basic Education - Non-Credit Employability/Life Skills Adult Basic Education - Non-Credit English Language Training Adult Basic Education - Non-Credit General Academic Studies Adult Basic Education - Non-Credit Literacy University

Sask Polytech: Saskatchewan Polytechnic (formerly Saskatchewan Institute of Applied Science and Technology).

Student Enrolment: Student(s) enrolled in program(s) or course(s) that are part of a specific Program Group.

WHERE WEARE

Since 1973, Parkland College has worked to expand the philosophy of life-long learning in East Central Saskatchewan. Among the seven basic principles upon which the community college system was founded is the idea that programs are to be developed in response to the needs of the community.

Today, Parkland College offers a broad spectrum of educational services from trades training and high school upgrading to the province's most diverse off-campus university offerings. With the addition of the new Trades and Technology Centre in Yorkton, Parkland College is poised to supply more local businesses with the trained workers they need.

No matter where our learners are, we deliver high quality learner centred education and training, setting the foundation for lifelong success.
